

Call to Organize the 2018 EASAS Doctoral Workshop

The Call to Universities and Higher Education Institutions to host the 2018 EASAS Doctoral Workshop is now open.

The workshop will give Ph.D. students an opportunity to receive feedback on their theses from senior scholars and fellow Ph.D. candidates who are also working on South Asian topics. In addition, it will create networks between young students of South Asia and help them develop contacts with others. The doctoral workshop is envisaged as a two-day event for Ph.D. candidates and faculty members from European universities, to be held at a host European university.

The host university will organize the workshop and arrange board and lodging for students and guest faculty. Selection of the host university will be made by the EASAS board. The EASAS board will support accommodation and board for students and staff at the workshop with maximum 2500 EUR. Other funding, if needed, must be provided by the host institution. The number of participants will depend on the financial situation of the host institution. Participants will have to make their own travel arrangements.

Proposals must include:

- Willingness to hold the workshop in 2018.
- Brief description of the institution.
- Brief description of the local steering committee for the doctoral workshop, whose members must be specialists on South Asia and members of EASAS. The workshop steering committee will plan and manage the workshop, select the student participants and guest faculty.
- Brief budget, listing costs for venue, accommodation, and board of participants.

Please send your proposals to office@easas.eu by **31 January 2018**.
