One Day International Workshop on Flood Disaster & Management

Venue

Jadavpur University, Kolkata 700032

Workshop on

December 29, 2017 (Friday)

Organised by:

**Centre for Disaster Preparedness & Management
Jadavpur University, Kolkata 700032**

We are all aware about the regular disasters happening worldwide. India is facing the regular disasters, which may be one of the world's major theatres. Though there are some mechanisms in place for combating disasters in our country both at Centre & state levels, criticism is often voiced that this system does not effectively faces the challenges posed by the disasters in the current era of technological advancement. India needs huge manpower, having technical expertise, training and awareness, in the management of disasters, certainly in terms of preparedness. Also UGC is emphasizing on the **institutionalization of Disaster Management**.

Therefore, there is a need to critically examine our disaster management structures / system in terms of disaster preparedness, and suggest measures to reduce the impact of disaster and make it more effective. India needs huge manpower, having technical expertise, in the management of disasters, certainly in terms of preparedness.

The present workshop proposed to be held on "**Flood Disaster & Management**", considering recent flood in West Bengal and other states.

About the Workshop

This workshop has an objective towards the awareness generation among the participants & Strengthening on of Manpower regarding, Flood Disaster and to train the participants for preparedness for the specific disaster. **Internationally and Nationally renowned speakers** will cover the Flood Disaster and its structural and non structural preparedness in general, including prediction. The workshop includes the **Activity of the Participants**, which will involve the participants directly in hands on exercise for preparing the Disaster Management Plan in terms of prediction and preparedness.

The **speakers are internationally and nationally renowned**, such as **Research Team Leader of World Bank, Chairman of West Bengal Pollution Control Board, Professors of Calcutta University**, as well as **IEST, Shibpore**.

Targeted Participants

The Organiser is expecting the application for participation in the Workshop from the interested individuals from Policy Makers, Technocrats, Government Officers, NGO Members, Academicians, Researchers, & Students, including Government Agencies of Housing/ Industrial Development, Builder / Architects, and Environmentalists, including all interested persons working in the relevant fields.

Due to limited seats, the interested participants are requested to register themselves on or before **December 15, 2017**, with filled up form and registration fee. If seats are available after that, the organiser will definitely accept the application. **No TA/DA** can be offered & the **accommodation**, if required, has to be **arranged by the participants only**.
