The Laws of Manu; translated by Windy Doniger and Brian K. Smith (1991), Penguin Books India, New Delhi. The Laws of Manu consists of 2 685 verses. These describe in detail the practices required to maintain caste purity of the twice born and the contempt and violence with which the outcastes should be treated. The verses are also dealing with a range of other themes, such as family life, relation to money and materials, politics, possessions, etc.
